

Munster Car Club welcomes round 6 of the 2010 Citroen Irish Tarmac Rally Championship when it hosts the Cork '20' International Rally on 1st, 2nd & 3rd October 2010. This year we are delighted to welcome on board our new associate sponsors Orchard Motorsport & The Silver Springs Moran Hotel which will be the HQ for this years event.

The rally incorporates no less than six different events on the weekend counting towards six championships and attracts competitors and spectators from throughout Ireland and the UK. With rallying now the 4th most watched sport in Ireland and attracting up to 20,000 visitors to Cork, this will attract huge media and public interest, resulting in extensive TV and radio coverage including UTV, Setanta Sports, Motors TV, media reports and rally websites.

The rally headquarters will be the Silversprings Moran Hotel in Cork, with a city centre ceremonial start and the service park located in Macroom over the weekend. Altogether this makes the Cork '20' International Rally an exciting opportunity for business and product promotion.

We are offering a range of packages which we will be pleased to tailor in order to meet your specific requirements. These range from the full colour programme to the special stages with their exciting action.

Further details on these opportunities are available from Paul Browne 087 2689318.

Munster Car Club invites you to the official press launch of the 2010 Cork '20' International Rally in the Silver Springs Moran Hotel Cork at 8pm on Friday 27th August.
