Competitors are to note the following changes to stages for Leg 2

**SS9/11 – Mushera**

The Flying Finish location has been altered on safety grounds  
The new flying finish location is now 40m before its current location.  
There is no amendment to the time schedule

**SS10/12 – Butter Road**

There has been an extra bale added to location 8 at 8.00km  
The chicane remains left entry but is now a 4-element chicane.  
The location of the first element is unchanged.
