Bulletin #6

Issued: 19.09.21

Time Control and Time Card procedures:

In order to comply with Covid 19 protocols Appendix 29 Art 7.9 and Art 7.10 are suspended and competitors will not hand over their Timecards to the control officials, The Time Control Officials will show the time to the co-driver using a display board and the co-driver will enter the time on their Timecard. Timecards will be retained by the co-driver and not handed in at Passage Controls or Time Controls

The following procedure will apply:

Time Controls:

- (a) The check-in time corresponds to the moment at which the co-driver shows their Time card to the timekeeper through the side window.
- (b) The timekeeper will then enter the actual time at which the card was shown on the Master Sheet.
- (c) The Timekeeper will then show the recorded check-in time and, in case of a Time Control followed by a special stage, the provisional special stage start time to the co-driver. The co-driver shall then enter this time on their time card.

Special Stage Start:

- (d) At the start line, the co-driver shows the timekeeper the time card through the side window. The timekeeper then either confirms this provisional start time or shows a different start time to the Co-driver
- (e) This new time, if any, shall then be recorded as actual start time on the time card by the co-driver

Special Stage STOP Point:

- (f) The timekeeper at the stop point will show the finish time (time of the day: hour, minute, second, tenth of a second).
- (g) The co-driver shall record this time on their time card.
