A Big Thank You to ALL Marshals & Officials

Issued: 2309.21

Dear Marshal / Official,

On behalf of myself and the Munster Car Club organising team, I would like to extend a huge thank you to all marshals & officials who turned out and assisted in the successful and safe return to closed road stage rallying in Ireland after such a long layoff of the sport.

It was humbling to see the large turn out of marshals lining the route at all locations along the stages, some of whom had travelled long distances the morning of the event, and to all marshals who so freely gave up their time to turn out at the shakedown stage on Saturday and again turn out early Sunday morning to ensure the stages were manned and controlled so expertly and efficiently ensuring the event ran on schedule all day, which was a testament to all involved given the long lay off and the large crowds in attendance.

We would also like to say a huge thank you to all the officials who assisted in the event both pre-event and during the course of the weekend, like the marshals we are conscious that a lot of you travelled long distances to play your part in assisting in the re-commencement of the sport and your valued assistance is greatly appreciated.

As we all know, rallying is a volunteer led sport, and it is the volunteer marshals, officials, time keepers, etc amongst many others are the back bone of the sustainable viability of this great sport we all love and it is a credit to you all and we thank you all most sincerely from the O'Connell Group Cork 20 International Rally organisers and Munster Car Club for your continued and valued support of Irish Rallying.

Take a bow – you all deserve it !!!!
